FOR EXAMPLE:—In the case of an Annual Subscriber of 10 Guineas (other amounts are in proportion—see table below):—

- (a) He sends to the Hospital his usual cheque for 10 Guineas and with it a certificate that he has paid Income Tax on £13 15s. 9d. (*The Hospital will supply forms of certificate*).
- (b) The Hospital can recover £3 5s. 9d. (Income Tax) from Somerset House.

- (d) The subscriber is entitled to deduct £13 15s. 9d. from his super-tax return.

Annual Subscription	Income Tax recoverable by Hospital (at 4/9 in the £)	Subscription will be shown in Hospital's Accounts as

Twenty-Fourth Annual Report

FOR THE YEAR ENDED 31st DECEMBER, 1936

TO THE SUBSCRIBERS

Ladies and Gentlemen,

The Hospital has received wonderful support this year, largely through the efforts of the Mayor, Alderman A. J. Reynolds, and the Managers are deeply grateful for the help of so many friends.

The debt on the new private patients' wing has been reduced to £2,200 ; at the end of 1935 it stood at £5,500.

The number of patients admitted during the year is a little lower than that during 1935, but the average stay of each patient was at a slightly higher figure so that the average daily occupation of beds also shows a small increase. The numbers of Casualties and X-ray examinations are again considerably higher. In two years the figures for each of these two departments have increased by more than 20 per cent.

Medical and Surgical Staff

Dr. Walter, of Colindeep Lane, left the district some months ago. Dr. Marshall, of The Burroughs, Hendon, and Dr. Meek, of Mill Hill, joined the Staff of Honorary Medical Officers in April.

Board and Committee Meetings

The Board of Managers and the Visiting, House and Finance (or "House") Committee have met each month, except in August, throughout the year, and the average attendance at the meetings of the Board for 1936 was 15. Mrs. Maughan, who was already a member of the Board of Managers, joined the House Committee in April.

Board of Managers

Mr. H. Sparkes, of Sunny Gardens Road, became a member of the Board in July and has already proved very helpful.

Administrative Staff

At the last Annual General Meeting the Board proposed a change, which was agreed to. Mr. Pike had for many years been the Honorary Secretary and Honorary Treasurer, with Miss Morris as Assistant Secretary. He felt that owing to the increasing work he needed more help, and it was decided that the two offices should be separated, Mr. Pike to continue as Honorary Treasurer and Miss Morris to be the Secretary, with Miss Barrett to assist her.

The Board are most grateful to Mr. Pike for the invaluable work he has done for the Hospital in the two positions he held for so long.

Inspection

The Hospital was inspected on 7th July, by Mr. William Gilliatt, F.R.C.S., and Sir Herbert B. Cohen, Bt., O.B.E., the visitors appointed for that purpose by King Edward's Hospital Fund for London.

Improvements

Both the operating theatre and the sterilising room have been transformed and are now thoroughly adequate to the heavy increase in surgical work which has naturally followed the enlargements of the Hospital. The reconditioning of the

theatre was made possible through the generosity of Miss L. I. Hill, who gave £300 for its improvement.

Illustrations of the theatre and sterilising room are given at the end of this Report.

Grants from Central Funds

The following grants for purposes of maintenance are most gratefully acknowledged :—

	£	s.	d.
King Edward's Hospital Fund	275	0 0
Hospital Sunday Fund	50	0 0

King Edward's Hospital Fund has also most generously made a further grant of £100 towards the cost of the private patients' wing.

Subscriptions

Annual Subscriptions have shown a small but steady increase during the last few years and this year the total is, for the first time, over £500. There is an increase for 1936 on 1935 of some £28. Annual Subscriptions are a valuable form of help as they provide a reliable income from year to year, and attention is drawn to the leaflet inserted in this Report, showing how recovery of Income Tax may be obtained by the Hospital in respect of such Subscriptions, and providing a Form of Bank Order for the convenience of Subscribers. The Board of Managers much appreciate the help of the Lady Collectors who, year by year, give a good deal of time to the collecting of a large number of these subscriptions.

Donations

The Managers gratefully acknowledge a long list of donations to the General and Building Funds respectively, details of which will be found towards the end of this Report. The Fête Committee were able to give £2,455 to the Building Fund, £2,000 of which was received as the result of the Mayor's Appeal; the collection among residents at Hendon Hall Hotel on Christmas Day, 1935, amounted to £68 9s. 0d. and Miss E. M. Webb renewed her donation of £100 (increased to £131 2s. 11d. by recovery of tax thereon).

Donations to the General Fund include :—£300 from Miss L. I. Hill for the reconditioning of the operating theatre, (to which reference is made above); £250 from Alexandra Rose Day; £100 from Smith's Kensington Estate Charity; £70 from the Hendon Borough Council, being part proceeds of the Royal Air Force Pageant.

Alexandra Rose Day Fund

A special effort was made this year by all concerned in the Alexandra Day Street Collection, in honour of the new Presi-

dent, H.R.H. The Duchess of Kent. The result was a considerable increase in the total amount collected this year and this Hospital received £250 as against £200 last year.

Box Collections

The box collections show a decrease this year, but this does not mean that our agent, Mr. A. J. Watson, has been less active. The falling off is chiefly accounted for by the fact that in the previous year boxes were taken by many groups of workers employed on local building estates, and the work being completed, many of the boxes have been called in.

Fête Committee

As soon as the Committee decided to hold a Fête, again the Chairman, Dr. Andrew, approached the Mayor, Alderman A. J. Reynolds, with the request that he should open the Fête and give his support in any other way that he felt able. He promised to do this and to issue an appeal, as he did some years ago when Chairman of the Council. This year his appeal was on a much larger scale and produced the magnificent sum of £2,040 7s. 7d. (£40 7s. 7d. was received after 31st December, 1936, and is not therefore included in the Accounts in this Report). The Board of Managers wish to place on record their very deep gratitude to the Mayor for the enormous amount of work he so generously undertook on behalf of the Hospital. In recognition of this they have named the men's four-bedded ward in the private wing, and a bed in the male general ward, after Alderman A. J. Reynolds. They also congratulate the Fête Committee on the excellent organisation of the Fête and assure them, and their numerous helpers, that their efforts year after year are sincerely appreciated. The Mayor made an encouraging speech at the opening of the Fête and with him were the Mayoress, the Deputy Mayor and Mayoress, several members of the Council and members of the Hospital Board. Through the kindness of the Hendon Borough Council the Fête was again held on the Burroughs Sports Ground, a privilege for which the Hospital Managers, as well as the Fête Committee, are very grateful.

Pound Week

The annual collection of Pound Week goods occupied about a fortnight in October. The total weight of goods received was about 7,680 lbs., and the value was estimated at £203 10s. 0d. Donations in cash amounted to £7 5s. 0d. The usual enthusiasm was shown and the quality of the goods was even higher than in previous years. The Board of Managers are very grateful indeed for the generous response with which this appeal is always met, and this year they have passed a very

hearty vote of thanks to members of the Hendon Rotary Club who helped collect the goods.

Stock Exchange Dramatic and Operatic ("Help Yourself") Society

The sale of the Society's Annuals by and on behalf of this Hospital resulted in a cheque for £31 0s. 0d. being sent from the Treasurer of the Society to the funds of this Hospital. The amount of money received by participating charities depends entirely upon the number of books they are themselves able to sell, and residents in the Borough of Hendon who purchase copies of the "Help Yourself" Annual are asked to do so from someone who is selling on behalf of this Hospital.

Thanks

In conclusion the Board of Managers desire to express their sincere thanks to numerous friends who have given help and encouragement in a variety of ways and especially to :—

The Medical Superintendent, Matron, Surgeons and Doctors for their untiring devotion, and to all members of the Staff of the Hospital for loyal work throughout the year ;

The Hon. Treasurer, for his services on the financial side of the administration ;

The Clergy of the district for the frequency and regularity with which they have visited the Hospital to hold services and to cheer the patients ;

The League of Remembrance for the magnificent help they have given in making up numerous gowns, caps, swabs, etc. ;

Subscribers and Donors, and to those who have given gifts in kind, including members of Mill Hill Toc H for the eggs which they have sent month by month, as well as Churches, allotment holders and others for choice fruit and vegetables ;

Those who have given time and work to the organisation of services, dances and entertainments in aid of the Hospital ;

The Head Masters and Head Mistresses of the Schools, and their pupils, for their continued co-operation, especially in regard to Pound Week, and the collection of metal foil ;

Those who have held collecting boxes during the year ;

Mesdames Aulagnier, Blaaberg and Sneath, for their help in collecting Annual Subscriptions ;

The Hendon Borough Council for facilities given for meetings of the Board of Managers and the Fête Committee at the Town Hall ;

Messrs. Price, Waterhouse & Co., for acting as Honorary Auditors, and to the Local Press for the immense help they give in making known to the public the needs of the Hospital.

Signed on behalf of the Managers,

B. Ernest Higgins

Eighteenth February, 1937.

Chairman.

REPORT OF THE ALMONER

During 1936, twenty patients were sent, at the request of their Doctors, to Convalescent Homes. Admission was obtained by appeals for Subscribers' Letters, and the payment of such fees as the rules of the Homes required. To meet these fees grants have in many cases been obtained from various charities and insurance schemes and advances made where necessary from the Almoner's Fund.

Special grants have also been obtained in certain cases towards the cost of patients' treatment and maintenance in the Hospital and in others National Health Insurance affairs have been put in order so that sickness benefit could be received.

Road accident cases have again claimed a good deal of attention. A considerable amount of correspondence has been conducted on behalf of the patients and in several cases the whole matter has been dealt with by the Hospital's Honorary Solicitor, to whom both the patients and the Almoner are greatly indebted for his ready help.

Several patients who were treated in the Hospital in past years have been kept in touch with and helped in various ways. It is encouraging to know that patients who have been placed into employment better suited to their health than the work in which they were engaged when they were taken ill are doing well. This after-care work is important as it sometimes prevents the good work of doctors and nurses being quickly undone.

The Almoner desires to express her gratitude to those who have sent her Subscribers' Letters for Convalescent Homes, to members of the Rotary Club and other residents for the loan of their cars, and to other kind friends who have co-operated with her in helping patients after they have left Hospital. She will always be grateful for Convalescent Home Letters.

We have examined the above Balance Sheet and the foregoing Income and Expenditure Account, and having compared them with the books and records of the Hospital we find them to be correct. We have verified the Investments and Bank Balances. To the best of our knowledge and belief the regulations of the Revised Uniform System of Hospital Accounts as adopted by the Central Funds have been followed in the preparation of the Accounts.

REGULATIONS AS TO PATIENTS

GENERAL WARDS

1. The Hospital is intended for the relief of those suffering from sickness or accident resident in the Borough of Hendon, and for accident cases therein.

2. Except in cases of accident or sudden emergency, before the admission of a patient to the Hospital, a letter (a form of which can be obtained from the Matron) should be sent to her at the Hospital (after ascertaining from her that a bed is vacant) containing:

- (A) A statement, signed by one of the regular Medical Practitioners in the immediate neighbourhood, that from his personal knowledge the case is suitable and likely to be benefited by such admission.
- (B) A guarantee, signed by some responsible person, for the payment of the sum required for maintenance, and for the removal of the patient if requested by the Board of Managers.

3. In case of accident or other sudden emergency the Matron may give provisional admission, sending immediate notice thereof to the Medical Officer on the rota for duty, who will give his directions for the retention or discharge of the patient. Persons residing outside the District who are admitted in emergency to the General Wards may be regarded as private patients and be liable for medical fees.

4. Cases of contagious or infectious disease, mania, epilepsy, or tuberculosis of the air passages, are not admitted.

5. Patients will be expected to pay for maintenance according to their means as ascertained from the inquiries made by the Almoner, but no case is refused admission to the Hospital on the ground of inability to pay.

6. Patients will not be allowed to go out of the Hospital grounds without leave from their Medical Attendant.

7. Any patient guilty of profane, abusive or unbecoming language or behaviour will be liable to dismissal from the Hospital.

8. The House Committee shall have the right, in consultation with the Medical Superintendent, to discharge any patient from the Hospital at such times as they think fit.

9. Patients will be required to make arrangements for the washing of their own clothes.

10. The friends of patients will be allowed to visit them between the hours of 2.30 and 4.30 on Sunday and Wednesday afternoons. All other visits (except to patients on the "danger list," who may be visited at any time) will be subject to special permission being given by the Matron, who will consider the convenience of the Hospital. Such visitors are strictly prohibited from bringing to a patient any articles of food or drink, not sanctioned by the Medical Attendant.
